

# IMPACT RICHMOND 100

**CONNECTING WOMEN. CHANGING LIVES. TRANSFORMING RICHMOND.**

Dear Impact Leadership,

Greetings from the edge of Fall! Your leadership committee has been reflecting on the collective joy we brought to the community when we once again awarded two \$100,000 grants in May. **Keep your eyes peeled for a mailed newsletter**, recapping all we have to celebrate in year 10!

As your 2018-19 Chair, I've been thinking about how I can best serve this organization. John Gardner, American statesman and founding Chair of Independent Sector, said, "If we intend that the governmental organizations we create be our servants and not our masters, we must have vital communities." That's what we do; we create vital communities right here in Richmond.

I'm excited to support more local projects and continue raising awareness of our nonprofit partners. Let's raise the bar even higher this year. **Let's do even more together.**

**YOU** are Impact 100 Richmond!

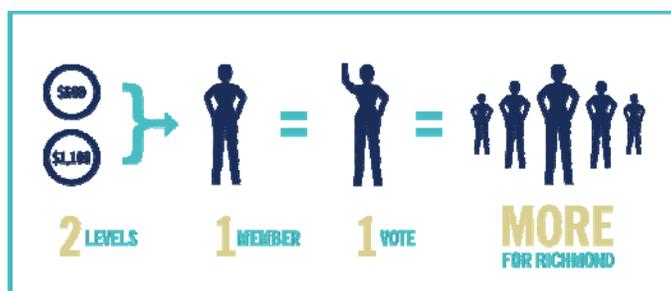

With gratitude,

Carol Anne
